### ***About purchasing:***

After purchasing, customers' money can not be refunded, regardless they can prove that our Company was mistaken (with a valid video). In these situations, we truly apologize, and we promise we will compensate our customers in a kind way.

We would like to kindly ask our customers not to rewrite the NFC tags they receive. Our Company does not take the responsibility for that and does not intend to send a new one. Thank you for your understanding!

Our products are protected by copyright, so for this reason please do not try to sell, copy, or reproduce them.

Our company can not take the responsibility for the product not arriving. Please customers, fill the forms with valid information about everything (mainly about address)! Our customers can trust us, we do send their products and we would never deceive them!

All the payments in our website go through PayPal, and our Company does not have access to this information.

We would like to warn our customers about their information changing (new phone number, new email address, etc...). In this case, we would like our customers to contact and notify us on the following email address: [sharemenfc@gmail.com](mailto:sharemenfc@gmail.com). Attention, changes that we make on customers' (because their information changes) contact cards incur additional costs.
